## FOUR CORNERS PRECIOUS METALS CLUB

We are excited to announce that in keeping with our aim of giving our members a cutting edge advantage, Four Corners has also pulled out all the stops to bring our membership the exclusive privilege of buying precious metals at discounted prices – **but only if they want to.**

Gold is the only money that has never failed in the 5,000 year history of its use by

humans.

There is currently less investment-grade silver available on Earth for investors to buy than there is gold.

Buying gold and silver online has historically been a risky and complicated effort. But for those members who desire to protect and create wealth and wish to buy silver online as well as gold, we have simplified and streamlined the entire process, offering a wide variety of options for storage and shipping that ease the process of precious metal investing.

As a member of Four Corners Alliance Group, you have the double benefit of securing precious metals at an attractively discounted price, whilst at the same time being part of a business team build which helps you create the capital required to make these strategic purchases.

For security reasons that we know you will understand, we are keeping our source under wraps till “**The BIG Reveal**” – but what we CAN tell you right now is that the metals company we are associated with is not some little online coin dealer ..... it is a **MONSTER**. One of the largest in the world – their process extends from owning the land, mining the metals, refining them, all the way to it arriving at your door. Or if you prefer, there are 6 secure repositories in Europe and Asia where you can store your precious metals. The products will consist of Suisse Pamp, bars, ingots and other popular items in silver, gold, platinum and palladium – including minor metals and oxides of rare earth elements thrown in for good measure!

In these days of economic turmoil, precious metals are hugely in demand and we are aware that our membership will explode because of the discount we have been

able to negotiate for members who qualify. However, instead of making precious metals a compulsory purchase as part of the compensation plan and thus inflating prices just to pay it out in commission, **WE ARE CHANGING THE GAME**. As an active member in 4corners you can qualify to buy gold, silver and other precious metals at very nice discounts, **but ONLY if you choose to**.

And how do you position yourself to become a member of this exclusive group? Simply by ensuring your subscription to the Monthly Newsletter is kept current. It is, after all, the Newsletter which will educate you on this matter, so it makes perfect sense that the Newsletter and your access to the Four Corners Precious Metals Club go hand-in-hand.

We are truly excited at the prospect of what we have in store for you – and all will be revealed to our active Newsletter subscribers.

## MAKING MONEY

In keeping with our aim to help you create independent wealth fast, we have designed our pay plan to give **FIVE** streams of income from just the one team build effort.

Below are the different types of commission you can earn with 4Corners – please click on each link to learn more, or simply use the links in the navigation bar to your right to get you there.

For ease of reference, we have grouped some of the income streams together .....

## AFFILIATE COMMISSIONS & SPONSOR'S MATCHING COMMISSIONS

In Four Corners, you can benefit from FIVE massive streams of income – here we explain Income Streams 1 and 2 ....

### 1. AFFILIATE COMMISSIONS

Affiliate Commissions are commissions earned when someone purchases any one of Products 1 to 16 and where you are the affiliate qualified to receive it. Looking at the diagram below, we can see the possible income available from members buying the products from you.

You earn commissions every time a someone buys the next product in the series, relevant to how many levels above them you are positioned.

To maximise the income from an affiliates organisation we've designed our pay plan to leverage income using a 2 by 16 forced matrix. It is a uni-level direct selling plan which generates commissions every time someone purchases a product. This gives the qualifying sponsor instant commissions which can add up to a VERY significant amount as increasing numbers of people purchase products of increasing value.

You are qualified to receive the commission if you already own that Product yourself. The most powerful aspect of this business is that you receive relevant commissions **WHETHER OR NOT the member buying the product was introduced by you or was "spilled / added" into your downline structure from members above or below you HELPING your downline grow!!**

Product Number	Product Cost	Number Of Purchasers	Commissions Earned When Products Are Purchased
Product 1	\$10.00	2	\$18.00
Product 2	\$8.00	4	\$14.40
Product 3	\$10.00	8	\$36.00
Product 4	\$12.00	16	\$86.40
Product 5	\$14.00	32	\$201.60
Product 6	\$16.00	64	\$460.80
Product 7	\$18.00	128	\$1036.80
Product 8	\$22.00	256	\$2534.40
Product 9	\$26.00	512	\$5990.40
Product 10	\$33.00	1024	\$15206.40
Product 11	\$46.00	2048	\$42393.60
Product 12	\$60.00	4096	\$110592.00
Product 13	\$88.00	8192	\$324403.20
Product 14	\$100.00	16384	\$737280.00
Product 15	\$150.00	32768	\$2211840.00
Product 16	\$200.00	65536	\$5898240.00

**Total payout for just one complete matrix is a MASSIVE \$9,350,325.00 !**

***Would You Like To Double That Figure?***

## **2 . SPONSOR'S 100% MATCH ON THE ABOVE AFFILIATE COMMISSIONS**

**100%**

**Matching Commission**

Sponsor's Matching Commissions on products sold take your earning to a whole new level as you receive unlimited matching commissions from your directly sponsored members EVERY TIME they receive commission from someone in THEIR downline.

Take a look at the figures above. Yes – every time a member you introduced to this business receives an affiliate commission from someone in their downline who purchases Product 2 onwards, **YOU get paid a 100% match instantly.**

Remember, you are qualified to receive the commission if you already have purchased that product yourself, and the person you are receiving a matching commission on is directly sponsored by you.

Of course, the member receiving the commission receives this irrespective of whether the member purchasing the product was introduced by them or they were “spilled / added” into their downline structure from members above or below them, thus helping their downline grow.

**Do you see how powerful this is?**

If they collect commissions from their entire Level 10 of over \$15,000, you collect over \$15,000 instantly. Exactly the same happens in relation to every personally sponsored member and yes you get MULTIPLE 100% matching commissions instantly – because YOU introduced the person receiving the commission.

There is no requirement to introduce new affiliates, but naturally, those who do actively build their team reap the benefits of unlimited income potential by receiving a 100% matching commission on the commission their directly sponsored members receive.

***But – We’re Not Done ....***

In addition to the first two types of commissions explained on this page, you are also able to earn from .....

## MONTHLY NEWSLETTER COMMISSIONS & SPONSOR'S MATCHING COMMISSIONS

Four Corners, you can benefit from FIVE massive streams of income – here we explain Incomes Streams 2 and 3 ....

### 3. MONTHLY NEWSLETTER COMMISSIONS

Levels	Commissions on Newsletter Subscriptions	Number Of Subscribers	Total Commissions on Newsletter Subscriptions

Level 2	\$0.375	4	\$1.50
Level 3	\$0.375	8	\$3.00
Level 4	\$0.375	16	\$6.00
Level 5	\$0.375	32	\$12.00
Level 6	\$0.375	64	\$24.00
Level 7	\$0.375	128	\$48.00
Level 8	\$0.50	256	\$128.00
Level 9	\$0.50	512	\$256.00
Level 10	\$0.50	1024	\$512.00
Level 11	\$0.50	2048	\$1024.00
Level 12	\$0.50	4096	\$2048.00
Level 13	\$0.50	8192	\$4096.00
Level 14	\$0.875	16384	\$14336.00
Level 15	\$1.00	32768	\$32768.00
Level 16	\$1.00	65536	\$65536.00

In addition to the income streams explained earlier, you also earn recurring commissions from the \$19 monthly subscriptions paid by your downline members for the Newsletter.

Looking at the above diagram, we can see the possible income available from members subscribing to the monthly newsletters.

You earn commissions from every member in your downline who subscribes to the monthly Newsletter, relevant to how many levels above them you are positioned.

Once again, to maximise the income from your downline organisation we've designed our pay plan to leverage income using a 2 by 16 forced matrix, thus allowing you to be paid by ever increasing numbers of subscribers.

You are qualified to receive the commission if you already have an active monthly newsletter subscription, and once again, you will receive commissions **WHETHER OR NOT the member subscribing was introduced by you or was "spilled / added" into your downline structure from members above or below you HELPING your downline grow!**

***Now – let's show you how to DOUBLE THAT!***

#### **4. SPONSOR'S 100% MATCH ON THE ABOVE NEWSLETTER COMMISSIONS**

A large, bold, yellow 3D-style graphic of the text "100%". The numbers are thick and have a slight shadow, giving them a three-dimensional appearance. The percentage sign is also large and yellow.

**Matching Commission**

Sponsor's Matching Commissions on Newsletter subscriptions take your earning to a whole new level as you receive unlimited matching commissions from your directly sponsored members EVERY TIME they receive a commission from someone in THEIR downline who subscribes to the Monthly Newsletter..

Look at the figures above. Every time a member you introduced to this business receives commission from someone in their downline who subscribes to the Monthly Newsletter, **you get paid a 100% match instantly.**

Remember, you are qualified to receive the commission if you already have an active monthly newsletter subscription, and the person you are receiving a matching commission on is directly sponsored by you.

Of course, the member receiving the commission receives this irrespective of whether the member purchasing the monthly newsletter was introduced by them or they were helped by having people "spilled / added" into their downline structure from members above or below them, thus helping their downline grow.

**And remember ..... this is monthly RECURRING income.**

If someone you sponsored collects commissions from their entire Level 10 of over \$500, you collect over \$500 instantly. Exactly the same happens in relation to every personally sponsored member and yes, you get MULTIPLE 100% matching

commissions instantly – because YOU introduced the person receiving the commission.

There is no requirement to introduce new affiliates, but naturally, those who do actively build their team reap the benefits of unlimited income potential by receiving a 100% matching commission on the commission their directly sponsored members receive.

But don't forget ... the two types of commission explained on this page are only a small part of the “do the job once get paid FIVE times” benefit of being an Independent Business Owner with the Four Corners Alliance Group!

Read on to learn about the rest of the income streams which are available for you to benefit from ...

## SPONSOR'S MATCHING COMMISSIONS

Sponsor's Commissions take your earnings to a whole new level as you receive unlimited matching commissions from your directly sponsored members every time **THEY** receive a commission from someone in **THEIR** downline who has either bought one of the products or subscribes to the Monthly Newsletter.

Remember, you are qualified to receive the commission if you already own that product or have an active monthly newsletter subscription, and the person you are receiving a matching commission on is directly sponsored by you.

Of course, the member receiving the commission receives this irrespective of whether the member purchasing the product or subscribing to the monthly newsletter was introduced by them or they were "spilled / added" into their downline structure from members above or below them. So this means that you could get a constant stream of commission coming to you simply because you are part of this exciting and powerful team build!

There is no requirement to introduce new affiliates, but naturally, those who do actively build their team reap the benefits of unlimited income potential by receiving a 100% match on the members they directly sponsored into the business.

## FREQUENTLY ASKED QUESTIONS

### MEMBERSHIP:

#### **Q: Which countries can I promote 4C in?**

Rather than go through the many countries worldwide where you can promote Four Corners, perhaps the easiest way will be to mention countries which are currently **excluded** either due to sanctions imposed by the United States Authorities or by the Debit Card Providers restrictions:

Angola	Belarus	Burma	Cote d'Ivoire
Cuba	Democratic People's Republic of Korea	Democratic Republic of Congo	Eritrea
Ethiopia	<b>India *</b>	<b>Indonesia *</b>	Iraq

**\* We are currently working on solutions for these countries.**

#### **Q: How can my team from "X" country join? They don't really use credit card in that region.**

Four Corners in co-ordination with Direct Pay Express are establishing some affordable solutions to allow a nominated team leader to collect funds, send a bulk payment to their Direct Pay Express eWallet and then fund their team members' ewallets from there.

#### **Q: How many accounts can I have?**

In order to ensure strong and steady growth of the entire business, each member is allowed **ONE** account. This will be monitored thoroughly and duplicate accounts will be detected, shut down and funds forfeited.

**Q: Can my family members have an account too?**

Four Corners Alliance Group realises that many of our members will want their family members to be part of the business too. We have no problems with that AS LONG AS THE INTEGRITY OF THE BUSINESS AND THE COMPENSATION PLAN IS UNDERSTOOD, RESPECTED AND MAINTAINED.

Please be aware that any attempts at malicious “stacking” and/or manipulating the system in any way will be detected and dealt with.

Offending accounts will be shut down and funds forfeited – **don't say we didn't warn you!**

**We want this business to create wealth for everyone and have constructed the compensation plan to do this. Remember, what goes around, comes around – so play fair and treat others exactly as you would want to be treated yourself – or risk losing your account.**

**Q: Minimum Age Requirement:**

The Minimum Age Requirement is 18 years.

**Q: How much does it cost to join?**

It costs just \$15 to join. Of that, \$5 is a one time only life time administration fee. The remaining \$10 pays for your first product.

**SERVER & SECURITY ISSUES:**

**Q: We are expecting a lot of people to join and we are concerned your server can't cope.**

There are many of reasons why a server can become overloaded. Poor programming practices account for the greatest number of server crashes in online programs. Server capacity is usually not the issue. You have no need to be concerned. Four Corners Alliance Group has an experienced, vigilant team of programmers who have implemented best practices and will be on hand to keep the system running at optimum performance levels at all times.

Server maintenance will of course be necessary from time to time. We will endeavour to give you ample notice of these and limit down-time to the bare minimum.

**Q: Is the credit card process secure? I know other programs that have had serious fraud issues.**

Four Corners has gone to considerable lengths to ensure that we have the most up to date credit card fraud counter-measures. **Q: Do you have measures in place to stop robots and scripts?**

Yes, we have a number of counter-measures in place to deal with malicious attempts to flood our program with phoney sign-ups including using a Captcha during signup.

**PAYING MONEY IN:**

**Q: What payment methods can I use?**

Currently, for our members' convenience, we have multiple ways of accepting payments worldwide – Credit Card (Visa, MasterCard, Discover), e-Check (US Only), DPX (Direct Pay Express) ewallet.

Visit our website to learn more about these safe and secure methods.

**Q: How many times can I use my card:**

You can use your card a maximum of 3 times a month. If you want to pay for a number of members, it will be best to fund your Direct Pay Express ewallet with the required amount and distribute funds from there to your members' ewallets and fund their Four Corners membership in that way.

**Q: Can I pay for members who do not have a credit / debit card?**

Four Corners Alliance Group in co-ordination with Direct Pay Express are establishing some affordable solutions to allow a nominated team leader to collect funds, send a bulk payment to their Direct Pay Express eWallet, then distribute funds to their members' ewallets.

Please be aware that DPX accounts will have to be verified before funds can be withdrawn. The verification process is simple and is explained below.

**Q: What is the process to verify a DPX account?**

In order to maintain total integrity and abide within national and international banking requirements and regulations, it is a requirement that your request for a method of withdrawing funds is verified. We recommend you do this straight away.

When you become a member, you will find a very helpful video on the relevant page to show you exactly what to do, but in brief ... as soon as you create your Direct Pay Express account, you will get a welcome email. You should then log into your account, create your permanent password and fax / upload copies of the following –

1. Government Issued Photo ID with your current address

or

2. Government Issued Photo ID without your current address PLUS a recent (less than 3 month old) utility bill showing your current address.

Once you have done this, Admin will check and approve your account and you are then ready to go. You will find a helpful webinar explaining this process in your backoffice when you join.

**Q: Is the credit card process secure? I know other programs that have had serious fraud issues.**

Four Corners Alliance Group has gone to considerable lengths to ensure that we have the most up to date credit card fraud counter-measures. Understandably, the need of very high security and scrutiny during the card purchasing process may cause an inconvenience for some members joining us away from their billing address – but we are sure you would rather us be safe than sorry.

**Q: Why is there a \$3 fee on Credit Cards?**

Direct Sales is considered a high risk business. A number of recent credit card fraud fiascos involving Direct Sales companies has left merchant account providers very cautious about doing card business in the Direct Sales market.

We have a good relationship with our merchant account provider. However, Four Corners Alliance Group pays out 90% to the membership in commissions. With such a high commission payout, the responsible thing for the company to do is to make provisions to cover the high fees and any holdback amounts. The \$3 fee goes towards covering these costs.
